

# The 9th International Conference on CIVIL ENGINEERING AND ARCHITECTURE ICCEA 2026

Bangkok, Thailand | December 26-28, 2026

2026 9th International Conference on Civil Engineering and Architecture (ICCEA 2026) will be held in **Bangkok, Thailand** on **December 26-28, 2026**, co-sponsored by Chulalongkorn University, technically supported by Innovation Center for Engineering Education at Seoul National University, and etc.

## PAPER PUBLICATION

Submissions will be reviewed by the conference committees, accepted and presented papers will be published as a post-proceedings in **Lecture Notes in Civil Engineering** series by Springer, which will be submitted for indexing by EI Compendex, Scopus, and the other major databases. For oral presentation only, you can just submit the abstract

### Published Issues

ICCEA 2025 Springer-(LNCE, Volume 869; Volume 870)  
 ICCEA 2024 Springer-(LNCE, volume 640; volume 641)  
 ICCEA 2023 Springer-(LNCE, volume 530; volume 531)  
 ICCEA 2022 Springer-(LNCE, volume 369)  
 ICCEA 2021 Springer-(LNCE, volume 201)  
 ICCEA 2020 IOP Conference Series: MSE

## CALL FOR PAPERS

- High-rise Buildings and Large-span Structures
- Bridge and Tunnel Engineering
- Newer Structures and Special Structures
- Geotechnical Engineering
- Municipal Engineering
- Hydraulic and Hydro-Power Engineering
- Civil Engineering and Materials
- Engineering Structure Safety and Disaster Prevention
- Building Energy Conservation and Green Architecture
- Structural Reliability, Durability and Health Monitoring
- Engineering Management
- Architectural Design and Planning
- Individual Buildings and Building Types
- Developments and Innovations in Architecture
- Project and Construction Processes
- Urban Regeneration and Sustainable Development
- Environment and Technology
- Educational Topics in Civil Engineering and Architecture
- Water and Wastewater Treatment
- Environmental and Water Resources Planning and Management
- Reuse and Recycle of Wastewater
- Heating, Gas Supply, Ventilation and Air Conditioning Works
- Sustainable Development of Building Energy and Environment
- Road and Railway Engineering
- Construction and Renewable Energy Sources
- Geographic Information Systems (GISs)
- Environmental Management Systems (EMSs)

More topics, please visit: <http://www.iccea.org/cfp.html>

## IMPORTANT DATES

Submission Deadline:	June 20, 2026
Notification Date:	July 20, 2026
Registration Date:	August 5, 2026
Early-Bird Registration:	by August 5, 2026

## SUBMISSION

1. Online Submission System:  
<http://confsys.icconf.org/submission/iccea2026>
2. You could submit by email directly, email: [iccea@zhconf.ac.cn](mailto:iccea@zhconf.ac.cn)  
 Full Paper Template: <https://iccea.org/splnproc1703.docm>  
 Abstract Template: <https://iccea.org/Abstract-Template.doc>

## CONFERENCE VENUE

**Pathumwan Princess Hotel**  
 444 MBK Center, Phayathai Road, Wang Mai, Pathum Wan District,  
 Bangkok 10330 Thailand  
<https://www.pprincess.com/>  
 Please contact the conference secretary at [iccea@zhconf.ac.cn](mailto:iccea@zhconf.ac.cn) for room reservation.

## KEYNOTES

**Thomas Kang**  
Seoul National University

**Young (Youngchul) Kim**  
Korea Advanced Institute of Science & Technology

**Lapyote Prasittisopin**  
Chulalongkorn University

**Abdollah Malekjafarian**  
University College Dublin

Technical Support
